Join us for a 400 meter run through the woods followed by a heart pounding opportunity to do some serious shooting, you will do this 4 times.

We can supply the rifles and ammunition if you are just getting started.

We will offer coaching lessons on the Thursday before the competition.

Our track is rated "first class" with the Deer and Fox population. Be prepared for rough ground and tree branches perhaps some water even. Our track is not suited for city folk accustomed to "pounding the pavement."

Lunch will be provided for all brave enough to compete and be available to all others for a small fee.
